

AH-020 - Spring

Product Code: AH-020
Weight: 0.00kg
Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

AH-020 Spring

In general, springs are mechanisms that have the capacity to absorb, store and release energy through a change in shape. In this specific application the use for the spring is to return a mechanism (the sphere) to its starting position and/or to add cushioning.

Specification
